## SECURITY SCREEN DOORS & WINDOWS

Byrne Security Doors offer a wide range of Window and Door Grille options that will improve the security of your home. Our Grilles are perfectly suited to a wide range of window applications as well as both hinged and sliding doors.

Finding the right balance between appearance and performance is not always easy. Our wide range of designs and proven quality ensure security requirements for any home can be met. All products are custom made to enhance the design of your home.

All Grilles have a 7mm strand thickness and meet the requirements of the Australian Security Door Standard AS5039. To obtain maximum benefit from our Security Grilles all doors made incorporating these grilles are manufactured to comply with AS5039 and installed to comply with AS5040.

All Diamond Grille Doors are available with the option of 3 Pt Safety Lock

### Key Features:

- Security Grilles are made from special Tempered Aluminium for greater strength and increased peace of mind. When combined with quality framing and hardware, Our Security Grilles offer good looking, low maintenance protection for your home.
- Various decorative grille designs available, ideal for front entry doors. Available in hinged and sliding door widths.
- Security Grilles for custom-made sliding doors provide optimum protection and smooth operation. Adjustment screws face inside the door out of an intruders reach.
- Fixed window grilles, custom-made to suit. Also available in a variety of patterns and colours.
